

Attention for Press attendees

【Interviews / Photography and Filming】

Thank you very much for your interest in BioJapan / Regenerative Medicine Japan / healthTECH JAPAN 2025. Please refer to the following when conducting interviews, taking photographs, and filming at the show.

- 1) At this event, press personnel are allowed to photograph and film within the exhibition hall (**except for within the partnering area**). General visitors are not allowed to do so. If you wish to photograph or film a specific exhibitor's booth, you must obtain permission from the exhibitor.
- 2) In the Annex Hall/North (seminar venue), photography and filming are not allowed. However, if necessary for reporting purposes, you may be permitted to enter the room temporarily during certain sessions. In this case, please consult the staff on-site.
- 3) We kindly ask that you send a copy of any publications or magazines featuring the coverage or photography to the secretariat afterwards. Additionally, please inform us of the publication content in advance, if possible.
- 4) For inquiries regarding coverage and reporting on the Japan Healthcare Venture Summit (JHVS) 2025, which is being held concurrently, please contact the JHVS secretariat (located at Exhibition Hall B13).

【Regarding Press Coverage】

As the information announced and disclosed at this exhibition may cause excessive expectations or disappointments among stakeholders and potentially lead to fluctuations in company stock prices, we kindly request that you always confirm with the secretariat before publishing and ensure accurate, fair, impartial, and objective information dissemination when reporting.

【Guide for Show Management Office / Press release desk】

Please ensure you complete the "Visitor Registration" in advance and visit the Show Management Office (D11) on the day of the event. After exchanging business cards, you will receive a press badge. Additionally, there will be a designated press release area in the exhibition hall, where materials from exhibitors will be available for your use.
